LEARN TO PLAY PIANO & IMPROVISATION IN 7 DAYS

(Digital Downloadable) comes with 27 video lessons with step-by-step instructions and many exercises and sheet music. It is suitable for beginners and those who want to learn piano improvisation easily.

Are you frustrated with reading piano music? Whether you're a slow piano sight reader or just someone who wants to improve your overall piano sight reading abilities, we have the right course for you, the **Mastering the Art of Piano Sight Reading**. This course comes with a 196-page manual, a computer CD and 2 DVDs, all of which provide step-by-step guidance on proper sight reading methods. You also get hundreds of exercises both on computer and in

front of the piano keys to make you the best piano sight reader you can be.

- How to read treble and bass clef notes at the same time
- How to count the rhythm accurately while sight reading a new piece
- How to count music with lots of eighth notes and sixteenth notes
- The best way to read a group of notes at the same time
- And many more!

Languages available: English, Chinese (subtitle), Spanish (subtitle)

Finally! A course to help all you piano players struggling with two-hand coordination! **Hand Coordination, Runs & Fillers** features 25 progressive exercises, keeping you focused on the goal such as:

- How to use harmonic and melodic thirds to create unexpected fillers and turnarounds.
- How to form the transitional phrasing in the harmonic and melodic sixth.
- How to properly use contrary motions, one of the most effective methods to add in runs and fillers.

Course includes: 3 DVDs, 1 Binder

Languages available: English, Chinese (subtitle), Spanish (subtitle)

Now, you too can master **Piano Rhythm**! Our online Piano Rhythm course will help you learn rhythm in a fun and interesting way. This course comes with 296 rhythm exercises and more than 30 video clips drilling on different musical rhythm patterns such as eighth notes 16th notes, triplets, etc.

Also, if you ever wanted to learn how to play tango, cha-cha, pasodoble, jazz waltz, shuffle, bossa nova, bolero, and other piano music rhythms, this is the perfect course.

PIANO TECHNIQUE SERIES

121 Left Hand Piano Styles will help you enjoy hours of fun piano playing using a total of 121 left-hand piano styles that will amaze your listeners and even professional players. It comes with three DVDs and a 150-page binder with worksheet and complete sheet music. Each style is demonstrated in details with application to songs that are familiar to listeners.

DVD#1: 12 Solid Rock Styles, 6 Slow Rock Styles, 2 Alberti Bass Styles, 3 Rhythmic Octave Fifth Styles, 2 Rhythmic 10th Styles, 4 Tango Styles, 4 Rhythmic Latin & Rock Styles, Cha Cha & Bolero Styles, 4 Syncopated Latin Styles

DVD#3: Ballads, Rotational Patterns, Waltz & Swing Waltz, Alberti Bass, Jazz Waltz, Mixed Walt, 6/8 Tempo & Styles

Playing piano and accompanying yourself or others while singing is so enjoyable, relaxing and fun! However, there are times when piano players don't know what to play while the singer is singing the melody. If you have at least two years of experience and are interested in learning some great techniques on accompaniment, then **Mastering the Art of Piano Accompaniment** is the course for you!

Learn the following accompaniment techniques used by professions: **Chordal styles** - *How to break down chords and combine notes to make the accompaniment interesting;* **Rhythmic patterns** - *By altering the rhythms of accompaniment, you can introduce a variety of musical styles (i.e. blues, ballad, gospel, etc.)*

Course includes: 3 DVDs, 1 Binder

Sweet Sounds of Jazz Improvisation is more than two hours long and is jam packed with actual demonstrations (2 DVD set), advice and all the tricks of the trade that took me years to unearth.

We literally show you how to turn simple melodies from Jesu, Joy of Man's Desiring, Swanee River, Love Me Tender, and many more into hand clappin', foot stompin' jazz tunes. In just a few short months, you'll be playing like a professor of jazz.

Walking Bass Style Interval • Left-Hand Style • Electrify that Latin Rhythm Into Jazz • Stride Piano Style • Secrets of Jazz Harmonization • Scales and Modes • and more
